Of a meeting held at the Deputy Commissioner's bungalow on the 5th April 1899 to consider the reductions to be effected in connection with the Plague administration of Seringapatam City.

Present.

C. Madaiah Esquire Deputy Commissioner and Municipal President.

Municipal Vice President.

Mahamed Jaffer Esquire
Ward Officer No 1 Ward.

Mahamed Zahiruddin Meccai Esquire

The following proposals are made for submission to the Plague Commissioner for sanction.

1. That owing to the steady decrease

decrease in Plague and the application of Mr. Anandarao Ward Officer No. 2 Ward for leave on account of ill-health, No. 3 Ward be abolished and that the original divisions of the Northern and Southern Wards be re-organized with an Assistant Ward Officer together with his Medical Officer attached to each Ward.

2. As the Palace authorities do not require the services of the Palace Assistant Ward Officer and the Medical Officer, that the services of Baboorao be utilized for one of the two Wards as an Assistant Ward Officer the services of Sheik Abdulla the existing Assistant Ward Officer now attached to No. 2 Ward being utilized

as

as the other Assistant Ward Officer required.

3. That until the reoccupation of deserted houses be completed the existing number of Supervisors be retained, and thereafter the number may be reduced to one-half of the present strength and further reduced as circumstances admit.

Sir,

In continuation of my letter No: 2475 dated 6th April 1899 forwarding a copy of a memo of a meeting held to consider the reductions to be effected in connection with the Plague administration of Mysore city, I have the honor to recommend in modification that, owing to the necessity of maintaining the regularity of Wardwar figures regarding Plague attacks and deaths, population

population, passes &c heretofore submitted wardwar in daily and weekly returns, No: 3 Ward be reduced to a Sub-Ward of No 1 Ward and be in the charge of one of the two Assistant Ward officers mentioned in the memorandum under the general control of the ward officer of No 1 Ward. By this means the existing boundaries of the three divisions of the City would be maintained as already laid down in the ward maps, and at the same time reduction of establishment would be effected since it is not necessary to keep up the extra ward establishment of the present No 3 Ward as that of No 1 Ward would suffice for both the Ward and Sub-Ward.

Sir,

I have the honor to acknowledge the receipt of your No. 10884, dated 16.5.99. forwarding for my opinion the proceedings of the Committee held at Mysore to consider the future arrangements to be made for dealing with Plague in Mysore City, suggesting the reduction of Establishment, In reply I have the honor to state that I quite approve of the proposed reduction of Establishment in the Erangere Plague Camp.

* Remark returned.

2. With reference to the proposed change in the Medical Staff, I regret to say I cannot agree with them, and I think that I should have been consulted before they were proposed.

3. The proposal of the Committee is that Sub-Asstt. Surgeon Rungasami Pillay, Hospital Assistant Framji Darashah be retained as Ward Medical Officers. I have no objection to the retention of the first named, but I consider that until Plague actually ceases (and ~~then~~ even then it is questionable) that the Ward Officers should not be under the status of a Sub-Assistant Surgeon, I would therefore propose that Sub-Asstt. Surgeon Gnanaprium Pillay be kept on as Ward Medical Officer in charge of No. I Ward vice Framji Darashaw, Ist Class Hospl: Assistant.

4. The other proposals meet with my approval.

5. I am of opinion that there is no longer any necessity

In submitting herewith two copies of statements with the Resolutions of the Committee, received from the Deputy Commissioner, Mysore district, showing the particulars of reduction proposed in the Plague establishments in the Mysore City, I have the honor to state that I had a preliminary discussion with the Deputy Commissioner, Chief Plague Officer, Health Officer and the Vice-President, before the Committee composed of the said officers and others who met and discussed the reduction now proposed, and am confident that the efficiency of plague supervision will not suffer by the reductions proposed being given effect to.

2. As will be seen from the Statements A and B, the total amount of reduction proposed is Rs. *2,461 per mensem, but the reduction of the disinfecting staff costing Rs. 753 per mensem, having already been sanctioned in Government Proceedings No. Pg. 1768-9, dated 25th May 1899, the actual amount of the reduction now proposed is Rs. 1,708, excluding the plague allowance to the Hospital Assistant attached to the Thawrekatte Silahdar camp, but including the allowance of Rs. 20 sanctioned in Government Proceedings No. 1668-9, dated 3rd May 1899, for the clerks of the water-supply department for doing the plague work under the orders of the Assistant Engineer, which the Deputy Commissioner has omitted to take into account. As there is, however, no necessity for continuing this allowance, I shall address the Deputy Commissioner separately as to why it should not be stopped.

3. I would also request sanction to the following changes in the Medical staff of the city, as proposed by the Deputy Commissioner and modified by the Senior Surgeon :—

(2) Hospital Assistant Rangachar to be deputed in connection with the special statistical work of the City;

(3) Miss Paul to attend to the Railway Inspection duty at the City Station, in lieu of Mrs. Moore, Lady Apothecary; thus effecting a saving of Rs. 60 per mensem.

(4) Plague allowance of Rs. 10 to be given to the midwife at the City Railway Station, out of the pay of Rs. 12 sanctioned for the female attendant;

(5) Lady Apothecary Miss Halman to revert to her permanent appointment, and Mrs. Foregard to take her place at the plague camp;

(6) First Class Hospital Assistant Anantaramaiengar to take the place of the present highly paid Inspecting Medical Officer at the City Station, with a plague allowance of Rs. 20,* thereby effecting a saving of Rs. 230 per mensem.

* Rs. 30 Vide Government Proceedings No. Pg. 1772-4, dated the 26th May 1899, and not Rs. 20.
